To whom it may concern,

I am writing concerning the FM radio station I listen to all of the time. I listen to 104.3 FM. and 102.3 FM. K-LOVE.

Besides being an uplifting channel and good wholesome music for my family I listen because I am in charge of music at my church and use these channels for resource of new music to learn.

I would be deeply disturbed if these stations were to be taken off the air.

Thank you for  
reading this

FCC,

I received a letter in the mail  
about K-LOVE and LPFM stations. K-LOVE  
has been on the air for years.

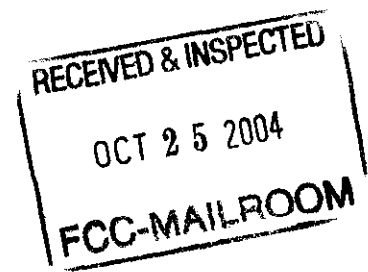

I listen to K-LOVE when I'm driving  
through Cincinnati. Without K-LOVE, options  
would be limited and life would be boring.  
I've always had a hope in K-LOVE.

I AM WRITING TO INFORM YOU OF THE SERVICE THAT K-LOVE PROVIDES TO ME AND MY COMMUNITY. K-LOVE PROVIDES ME A RADIO STATION THAT I CAN HAVE ON IN MY BUSINESS, HOME AND CAR AND NOT HAVE TO WORRY THAT THE MUSIC, LANGUAGE, AND ADVERTISEMENT WILL AFIEND MY FAMILY, AND CUSTOMERS.

IF THIS STATION IS NOT ALLOWED TO PROVIDE OUR COMMUNITY WITH A FAMILY-FRIENDLY PROGRAMMING, I WILL NOT BE ABLE TO OFFER A SAFE AND FRIENDLY STATION TO MY FAMILY OR CUSTOMERS. I WOULD HAVE TO NO LONGER HAVE THE RADIO PLAYING IN MY BUSINESS AND LOOK TO PLAYING CD'S.

I KNOW THAT THIS STATION PROVIDES A SAFE FAMILY-FRIENDLY PROGRAMMING THAT HELPS TO BRING PEACE AND HOPE TO THE PEOPLE THAT LISTEN TO IT. I HAVE LISTENED TO THIS STATION FOR THE PAST 7 YEARS AND HAVE HELPED TO SUPPORT IT FOR THE PAST 4 YEARS.

Dear FCC,

I have recently learned that my favorite radio station, ATR 1, is in danger of being forced off the air because new LPFM stations could take priority over current FM stations.

ATR 1 serves my husband and I as residents of our local community in many ways. We listen to it all the time and the Bible verses and personal stories help us throughout our day.

If ATR 1 was to be displaced by an LPFM broadcaster I know that our family and many others would not know what to listen to in order to hear the family-friendly programming we have come to enjoy.

I believe that the service provided by ATR 1 is in the public

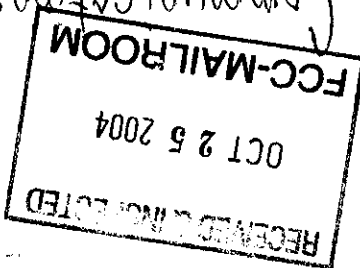

interest because they care about their listeners. They pray for their listeners and make it a point to find out what our favorite songs are.

AIR 1 supports wholesome values and has a positive and encouraging impact on communities all across America. Please do all you can to preserve this service we have become to value so much. We will continue to pray that AIR 1 will not be forced off the air.

Thank you for your time,

This letter is in regard to how important it is to me and my city to have K-LOVE radio FM.

I personally listen & most of friends & relatives do because it is such positive music environment and also keeps us informed of events coming Phoenix metro area.

Just because it seems to be so small it doesn't count is exactly the reason it should stay and be able to have the ability to grow. That is what our country was founded on the idea to grow and be strong in freedom.
